4. Select **Scopus Author ID** from the dropdown menu.

5. Enter your **Scopus Author ID** in the ID field.

6. Click on **Create**.

Don't forget to click on **Save** at the bottom of the Edit Profile window.

7. Alternatively, click on **Find your ID in Scopus**.

This link will take you to a list of Author records on Scopus that match your name.

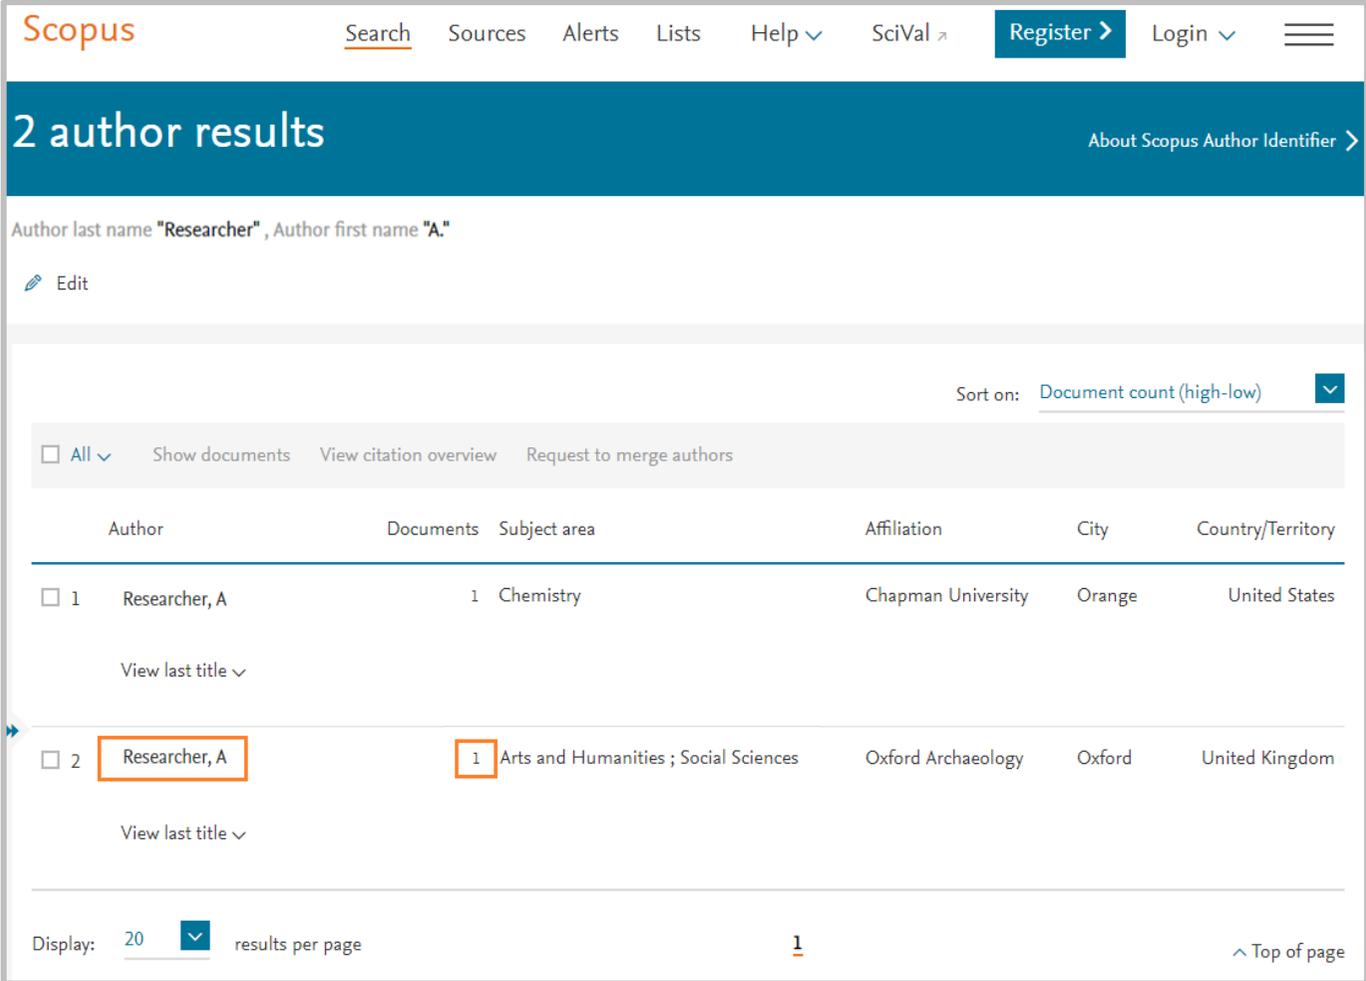

The screenshot shows a form titled "ID" with two tabs: "Employee ID" and "HESA staff ID". The "ID type" dropdown menu is set to "Scopus Author ID" and is highlighted with an orange box. Below it is an "ID \*" input field. A link "Don't know your Scopus Author ID? Find your ID in Scopus" is visible. At the bottom right, there are "Cancel" and "Create" buttons, with the "Create" button highlighted by an orange box.

The screenshot shows the same "ID" form. The "ID type" dropdown menu is set to "Scopus Author ID". The "ID \*" input field is empty. The link "Don't know your Scopus Author ID? Find your ID in Scopus" is highlighted with an orange box. At the bottom right, there are "Cancel" and "Create" buttons.

8. If your **name** in the list is a link, click on it to open your Scopus Author record.

If your name in the list is not a link, click on the **number** next to your name to open a list of your papers on Scopus.

The screenshot shows the Scopus search results page for the author "Researcher, A". The page displays two author results. The first result is for "Researcher, A" with 1 document in Chemistry at Chapman University, Orange, United States. The second result is for "Researcher, A" with 1 document in Arts and Humanities ; Social Sciences at Oxford Archaeology, Oxford, United Kingdom. The second result's name and document count are highlighted with orange boxes. The page includes navigation links like Search, Sources, Alerts, Lists, Help, SciVal, Register, and Login. It also shows sorting options (Document count (high-low)) and display settings (20 results per page).

### The Baptist Chapel burial ground, Littlemore, Oxford (Article)

McCarthy, R., **Researcher, A**

Oxford Archaeology, Janus House, Osney Mead, Oxford, OX2 0ES, United Kingdom

Abstract [View references \(38\)](#)

Excavation of the cemetery associated with Littlemore Baptist Chapel, Oxford, revealed a total of 31 graves and coffins dating to the second half of the 19th century. The remains of 30 individuals survived. Coffin fittings were not plain as expected, but rather followed the Anglican tradition of the time. The skeletal evidence indicated a population whose
